Hi John:

Carol will be available after 2pm on Monday – she has meetings in the morning. I don't think I will be speaking with her today at all, but I will send her an email to find out if she is still interested. I'll let you know what she says. Thanks.

Morning Shawn,

Just heard back from Charles. Monday is an option. Let us know there might be a time Carol can pencil in, and we can notify him in advance.

Thanks again for everything.

John

Hi Shawn,

Charles had to leave per his deadline, but is open to a call tomorrow.

Does Carol have a few minutes to spare?

Drop us a note when you can.

Best,

John

I just reminded her about 45 minutes ago and noted his 2:30 pm deadline. She has his contact information. She is on another call right now, so I'm not sure it will happen.

Hi Carol,

We just fielded a media inquiry from Charles McChesney of [Welding & Gasses Today](#), the official magazine of the non-profit Gases and Welding Distributors Association (GAWDA). They are doing a piece on the construction of the Wilshire Grand Center and wanted to get a brief comment from a Downtown Leader on the importance or significance having a new 'Tallest Building in the West' and what it means for the city.

Mr. McChesney would prefer to speak with you over the phone, if possible. Should take no more than 5-10 minutes, and his deadline is Friday.

If you would like to participate, do you have preferred days/times in which you can take his call?

Let us know how you'd like to proceed.

Thank you,

John
